Back up your wallet

We recommend that you back up your wallet, just in case you lose your device or forget your password.

stamp region isolate title squeeze gasp bind hover option icon tide crime

1. Keep a copy of the backup phrase displayed below — handwritten and/ or copy-pasted on your device.
2. Store it in a safe place so you'll know exactly where it is when you need it.
3. With the backup phrase you can restore your wallet at any time.
